THE HEMPHIELD.—The Directors of the Hemphield Railroad are now in session in this city. They have just concluded a full and accurate report of the condition and affairs of the road, which will shortly be published in pamphlet form. The board are now considering the proposition from certain parties, to repair, stock, and run the road upon certain conditions. They have not yet decided to accept or reject the proposition, the nature of which has not been made public.—[Wheeling Intel.]

The advertisement of our old friends, J. W. GRAY, and CHARLEY FICKES, appears in our columns to-day. As it is their intention to keep a regular supply of everything in their line—we would cordially recommend them to the public favor.

We direct attention to the card of Mr. J. N. Myers—Saddler—in this paper. Give him a call.

We call attention to the advertisement of Dunlap & Coble. It is only necessary for purchasers to call and examine their large and well selected stock in order to be convinced that they cannot do better elsewhere. Call and see for yourselves, and we predict that the result will be a bargain.

ASSISTING NATURE.—It is a well established fact, though nature cannot be forced, she can be assisted. This is peculiarly the case in all these diseases caused by blood or coagulated lymph settling under the skin, as generally happens after a bruise or sprain. By using some good penetrating rubefacient, such as BRAGG'S ARCTIC LINIMENT, nature is stimulated and assisted to take up and remove the deposit of lymph and blood, and an immediate cure is effected. BRAGG'S ARCTIC LINIMENT is for sale by all respectable Druggists throughout the country.

For sale by Hening & Melvin.

NEW AND ELEGANT STOCK OF GOODS.—Mr. H. G. GARRETT has just returned from the city of Philadelphia, having purchased for this market, a most splendid stock of Dry Goods, and embracing every variety for the Spring and Summer trade. They were purchased on very reasonable terms, and will be sold at remarkably low figures. Garrett is no foggy. He has fitted up his rooms, at a heavy expense, in tasty, modern style, and has replenished them with one of the best stocks of goods ever brought to this market.

It is useless for us to invite you to call and see him; that you will do, as a matter of course.

CHANGE OF PROGRAMME.—Winn announced, a few days ago, that owing to the return of Spring—the genial atmosphere, and the increased warmth, that ice cream would be served up in lieu of oysters. But the "snow on the mountains and cold weather" admonished him of the propriety of making in addition to his bill of fare, by the introduction of fresh oysters, which will be served up as long as the season will permit—after which Spiced Oysters, Cove Oysters and Sardines will be substituted. Cream served up as usual at all hours.

JAMES ELLIOTT, Clerk. Attest: JAMES H. BLINN, Sheriff. April 21, 1888.

A SUCCESSFUL WAR!—In the Seven Years War, so called, which originated between the English and the French about some uninhabited and worthless lands in Canada, and embroiled all Europe, the English boasted of their remarkable successes, as thus:

"They captured or destroyed one hundred ships of war belonging to the enemy, and acquired six millions in prize money; but then, in achieving all this, they sacrificed two hundred and fifty millions of dollars! A singular success this! A few more such successful wars would ruin most nations. It would in most instances surely be cheaper, as well as more humane, to purchase peace before war is waged. And yet we hear men blustering about war as if it were mere pastime, or a certain means of profit and aggrandizement. War is both the curse and folly of nations. It originates in petty passions for the most part, and after the belligerents on both sides are well pummeled and defeated, they accept terms of Peace which are little more advantageous than those attainable before the fighting commenced."—[Presbyterian.]

Change of Business. Mr. THOMAS GORSUCH, having purchased the establishment heretofore owned by Mr. C. Y. HECKLER is now opening a first class flour and feed establishment at the old stand on Market Street, where he intends keeping constantly on hand and for sale an assortment of Flour and Feed, viz:—Double and single Extra, Superfine and Unbleached White Flour; also Rye, Barley and Buckwheat Flour, and Corn Meal, Oats and Corn, and also a variety of Mill Feed; all of which he intends selling as low as they can be bought at any other house in this place, that is, of the same quality. The highest cash price will be paid for anything in his line of business. Persons wishing to buy or sell would consult their own interest by giving him a call before buying or selling elsewhere. He hopes by prompt attention to business, and honest dealing, to merit a share of the public patronage.

Remember the place is at Thomas Gorsuch's on Market Street, one door above 6th.

There is an article selling throughout the country that has attained the widest celebrity ever known as a remedy for Liver Complaints. We have reference to Dr. Sanford's Invigorator, or Liver Remedy, that has performed cures almost too great to believe, were it not for the undoubted evidence that accompany the testimonials. It is, in truth, the greatest remedy known for Dyspepsia, Jaundice, or a general debility that so often baffles the skill of our most eminent physicians.

Dr. Sanford has been for a long time one of the eminent physicians of New York, and it is said, most of his cases were treated with the Invigorator with such invariable success that he has been induced to offer it as a family medicine, and let the world have the benefit of his discovery. If those who are troubled with debility, headache, languor, or slow lingering fever will try a bottle, we think they might save physicians' bills, and days, perhaps years of suffering.

Sold by all druggists and dealers in this city.

GOOD MEDICINES. It is estimated that AYER'S CHERRY PECTORAL AND CATARRH PILLS have done more to promote the public health, than any other one cause. There can be no question that Cherry Pectoral has by its thousand on thousands cures of Coughs, Croup, Asthma, Whooping Cough, Bronchitis &c., very much reduced the proportion of deaths from consumptive diseases in this country. The Pills are as good as the Pectoral and will cure more complaints.

Everybody needs more or less purging. Purge the blood from its impurities, Purge the bowels, Liver and the whole visceral system from obstructions. Purge out the diseases which fasten on the body to work its decay. But for diseases we should only old age. Take antidiarrhoeals early and thrust it from the system, before it is yet too strong to yield.

Ayer's Pills do thrust out disease, not only while it is weak but when it has taken a strong hold. Read the astounding statements of those who have been cured by them from dreadful Scrofula, Dropsy, Ulcers, Skin Diseases, Rheumatism, Neuralgia, Dyspepsia, Internal Pains, Bilious Complaints, Heartburn, Headache, Gout, and many less dangerous but still threatening ailments, such as pimples on the face, Worms, Nervous Irritability, Loss of Appetite, Irregularities, Dizziness in the head, Colic, Fevers, Dysentery, and indeed every variety of complaints for which a Purgative Remedy is required.

These are no random statements, but are authenticated by your own neighbors and your own Physicians.

Try them once, and you will never be without one.
